WASHINGTON LETTER.

[From Our Regular Correspondent.]
WASHINGTON, May 20, 1915.
Members of the Administration, from the President down, make no secret of the great interest they feel in the result of Secretary Carlisle's crusade against the free coinage of silver. Before leaving Washington Mr. Carlisle carefully prepared the speeches to be made at the Memphis "Sound Money" Convention and in Kentucky, and it may be said that President Cleveland actively assisted in their preparation, and, to put it in business vernacular, placed his O. K. upon them. In other words, the speeches made by Secretary Carlisle are intended to be the platform upon which President Cleveland will try to unite the Democratic party for next year's national campaign.

Some of the silver men make light of Mr. Carlisle's crusade. Other silvermen regard the crusade as a more serious affair, admitting the President and the Secretary of the Treasury to be powerful, and they fear that they will in one way or another be able to greatly impair the strength of the silver men in the South.

As seen in Washington there is only one thing certain about this fight, and that is the intention of the Administration to make it to the death. Those who hint of compromise are hooted down by the Administration men, who say that the next Democratic National Convention has either got to be silver or anti-silver, which is about equivalent to saying that it must be either Cleveland or anti-Cleveland. It seems impossible to say how it will end, men who are in position to know public sentiment disagree so widely in their prediction. Present movements can be noted and studied; future results must be waited for.

One not acquainted with the unanimity with which the politicians and hangers-on in Washington know everything official—after it is announced—would, in view of the general talk about the income tax decision of the Supreme Court wonder why it was that any doubt had ever existed as to what that decision would be, when so many people can spin out arguments by the yard to prove that they knew all the time just what the decision would be. No community, however small, is free of the I-told-you-so crowd, but he is probably more numerous in Washington than anywhere else. Had the decision been exactly the reverse it would not have phased the know-it-alls; they would have come up smiling with their "I told you so's" just the same, and the queer part of it is that many of them really believe they knew it all the time. They are like the man who repeats an untruth so often that he finally gets to believing it himself.

The recent activity of ex-President Harrison and some of his friends has stirred up the Republicans not a little. It is now believed that Mr. Harrison is out for another nomination. With few exceptions the men who are known as the leaders of his party are opposed to Mr. Harrison's nomination, just as they were in 1892. Then Mr. Harrison had the support of the office-holders, which he will not have next year. Still, his supposed candidacy is worrying the other fellow, no little, and they cannot hide it.

If ex-Senator Warner Miller knows anything about the Republican machine in New York, that State will send a solid delegation for Gov. Morton to the Republican National Convention, unless Gov. Morton shall himself prevent it, which isn't probable. At least that is what Mr. Miller, who is now in Washington, he says, on Nicaragua Canal business, claims. There was a time when what Mr. Miller said about New York politics could be backed on, but that was some years ago.

It May Do as Much for You.

Mr. Fred Miller of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back, also that his bladder was affected. He tried many so-called kidney cures, but without any good results. About a year ago he began the use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles, and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At Geo. M. Wood's Drug Store.—Advt.

Deafness Cannot be Cured.

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

DOCTORS TRY MUNYON.

Official Records Open to the Public.

A Well-Known Physician Tests the New Discovery with Most Successful Results.

Dr. George F. Brooks, No. 29 Temple Place, Boston, says:

"I have used a good many rheumatism medicines in the course of my practice, but I candidly say that I never saw a remedy as effective as Munyon's Rheumatism Cure. I gave the sample bottle I got Monday to one of my patients, a lady, who has had chronic rheumatism in her limbs for years. Her knee and elbow were stiff, and she suffered great pain. Its effect was simply marvelous. Relief from pain was obtained in a few hours after the first dose, and inside of twenty-four hours the lady was feeling better than she had for years. I shall prescribe Munyon's Cure for all cases of rheumatism that come under my care in the future."

Munyon's Rheumatism Cure is guaranteed to cure rheumatism in any part of the body. Acute or muscular rheumatism cured in from one to five days. It never fails to cure sharp, shooting pains in the arms, legs, sides, back, or breast, or soreness in any part of the body in from one to three hours. It is guaranteed to promptly cure lameness, stiff and swollen joints, stiff back, and all pains in the hips and loins. Chronic rheumatism, sciatica, lumbago or pain in the back are speedily cured.

Munyon's Homeopathic Home Remedy Company of Philadelphia put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

Those who are in doubt as to the nature of their disease should address Professor Munyon, 1505 Arch Street, Philadelphia, giving full symptoms of their disease.
